Managing Director
ANH Enterprise Limited

Message from the **MANAGING DIRECTOR**

I am always thankful to the almighty for giving me the opportunity to work with our valued customers, traders, distribution partners, and all other stakeholders.

With the believe nothing is impossible. We have the 'Can Do Spirit' and commitment towards the best of the bests quality. Continuous innovation to provide high-quality toiletries products is our principal.

While I thank our well-wishers who have contributed to the growth of ANH Enterprise Limited since its inception, I seek continued support, cooperation & patronage of you all including our teammates and all regulating authorities.

Let's believe that quality wins..

FEEL FRESH & NEW FOREVER

Soapy detergent powder is 100% filler free. So, the amount required per use is very less. Color Guard technology keeps clothes looking like new. And extra brightening power gives brightness to your cloth. Soapy detergent liquid is not only suitable for use in washing machines but also gentle on hand. In that case, there will be no harm to the skin. It makes the fabric super soft and destroys dirt and germs from deep inside the fabric.

A CLEAN & FRAGRANT ENVIRONMENT

Soapy (Ultra) Detergent Powder & liquid: The ultimate cleaning solution for your daily laundry needs. Soapy (Ultra) detergent powder & liquid is specially formulated to provide powerful stain removal and deep cleaning while producing minimal foam. Its advanced low-foam technology ensures efficient washing in both front-load and top-load washing machines. Say goodbye to excessive suds and hello to spotlessly clean clothes that retain their freshness and color. Soapy (Ultra) detergent powder & liquid, tough on stains, gentle on fabric

CHANGE IS FROM INSIDE

Both visible and invisible enemies are deadly for us. It is not easy to defeat such enemies. So, not ordinary detergents, but active granules of Banglawash detergent you need. It has bold power in it. cleaner, killer, brighter action destroys the visible enemy dirt and invisible enemy germs by penetrating deep into the fabric, ensuring sparkling bright safe clothes. And the fragrance of beli flowers gives a lively feeling. It is free from APEO, that is why Bangla Wash is environment-friendly. We also think about nature.

LIVE MORE WITH CONFIDENCE

LIMO disinfects germs up to 99.9%. It is totally appropriate to use in sensitive skin. It's four flavors (Aloe Vera, Ice Cool, Rose & Lavender) will enrich your experience.

Our product is pH balanced so it does not harm hands.

RESTORING TRUST ON THE HANDS

Ray Active Sanitizing Hand Wash protects the hands of everyone in the family. It's anti-microbial protection kills 99.9% of hand germs. Some hand washes in the market are not pH balanced and gradually make hands rough and uneven.

Ray Active Sanitizing Hand Wash Being pH balanced keeps hands soft, supple, and smooth.

GERMS GONE MOVE ON

The combined power of Ray Dish Wash Liquid's extra degreasing ability, the foaming action, Shine Agent, and the anti-bacterial action removes tough oil-grease dirt and stains. It kills 99.9% of germs. It brings back the sparkling shine to dishes in the first use. Being pH balanced keeps the skin soft. Lemon and Orange — two different fragrance give a lively feeling.

DOOMIFY DIRT OIL ODOUR MICROBIAL

Doom's Extra Degreasing ability is used to clean stubborn stains, grease, and sticky dirt from dishes. It is pH balanced. That is why It does not harm your hands. Two different fragrance with lemon and orange will make the dishes spotless.
